R-129 to September 30, 2013.

**LOCATION AND SITE DESCRIPTION**

The Proposed Project site consists of a portion of Parcel P-3 and a portion of Parcel P3-h in the Campus High School Urban Renewal Area located along the south side of Tremont Street, just west of its intersection with Ruggles Street and the Ruggles Massachusetts Bay Transportation Authority (“MBTA”) Station as set forth in Exhibit A attached hereto and incorporated herein. The Boston Police Department (“BPD”) Headquarters is located directly across Tremont Street. The site is also adjacent to the Madison Park High School site.

**BACKGROUND**

On May 19, 2005 the BRA voted to authorize the advertisement of a Request for Proposals (“RFP”) for the long-term lease and redevelopment of Parcel P-3. The RFP for Parcel P-3 was formally issued on December 2, 2005. On May 22, 2006, the BRA received three (3) proposals in response to the RFP.

On June 21, 2007, the BRA granted the tentative designation of Elma Lewis Partners, LLC as the redeveloper of Parcel P-3 for 360 days for construction of the Ruggles Place Project, containing approximately 1,398,889 square feet of cultural, residential, office,

retail, medical, and art educational uses, and a 1,044 space parking garage, including the renovation of 34,000 square feet in the existing and former Whittier Street Health Center building, in four (4) building blocks whose heights would range from 4 to 20 stories (“Original Tentative Designation”).

On June 3, 2008, the BRA voted to extend the Original Tentative Designation of Elma Lewis Partners, LLC as the Redeveloper of Parcel P-3 for an additional three months or until September 21, 2008 to allow time for the Redeveloper to complete the requirements set forth in the Original Tentative Designation Resolution adopted on June 21, 2007. On September 9, 2008, the BRA voted to extend the tentative designation of Elma Lewis Partners, LLC as the redeveloper of Parcel P-3 for an additional one month or until October 21, 2008.

On October 21, 2008 the Original Tentative Designation, as extended, expired in accordance with its terms.

On April 28, 2009, the BRA voted to re-adopt the tentative designation of Elma Lewis Partners, LLC as the redeveloper of Parcel P-3 for eighteen (18) months until October 28, 2010 for the construction of the Ruggles Place Project as originally conceived and on October 12, 2010 the BRA voted to extend the tentative designation for a period of ninety (90) days (“2009 Tentative Designation”). The 2009 Tentative Designation required the Elma Lewis Partners to identify and designate a portion of Parcel P-3 to the Whittier Street Health Center project so that it could move forward as an independent project, and also to allow time for Elma Lewis Partners, LLC to complete the requirements set forth in the 2009 Tentative Designation. The ability to create a sub-parcel for the Whittier Street Health Center project was accomplished on September 15, 2009.

Subsequently, the Elma Lewis Partners, LLC changed the structure of its team and began negotiations with Feldco Development Corporation (“FeldCo”) to join them as a development partner. On September 16, 2010 Elma Lewis Partners, LLC and FeldCo were able to provide the BRA with a partnership agreement and their proposed revised project for the Site.

On September 21, 2010 in connection with the Final Designation of Whittier Street Health Center Realty Corporation as redeveloper of Parcel P3-i, in the Campus High School Urban Renewal Area, the Tentative Designation of Elma Lewis Partners, LLC as redeveloper of Parcel P-3 in the Campus High School Urban Renewal Area was revised to modify the land area of said designation to include the land set forth in Attachment A hereto.

On January 13, 2011 the BRA revised the Tentative Designation of Elma Lewis Partners LLC as redeveloper of a portion of Parcel P-3 and a portion of Parcel P3-h to accept the

creation of the partnership between Elma Lewis Partners LLC and Feld Co. Development Corporation known as P-3 Partners, LLC and the BRA voted to extend the tentative designation for a period of 18 months.

On June 12, 2012 the BRA voted to extend the Tentative Designation of P-3 Partners, LLC as the Redeveloper of a portion of Parcel P-3 and a portion of Parcel P3-h to December 31, 2012.
