Central Artery Parcel 2 Park Design

Concept Design Options Meeting

The Boston Planning & Development Agency (BPDA) in partnership with the Massachusetts Department of Transportation and the Greenway Conservancy, invites you to the third public meeting for the Parcel 2 Park Design process. The project team will present multiple design options based on feedback received during meeting two and solicit feedback on the preferred design direction. The goal of this meeting is to narrow down to one preferred design direction for further development.

To access the BPDA Board Room please enter through the Congress Street entrance and take the elevator to the ninth floor. The Board Room is located to the left upon exiting the elevator bank. Please note that the City Hall Plaza entrance is closed after 5:30.
