Central Artery Parcel 2 Park Design

Construction Information Meeting

The Boston Planning & Development Agency (BPDA), in partnership with the Massachusetts Department of Transportation and the Greenway Conservancy, invites community members to the fifth public meeting for the Parcel 2 Park Design process. Through four previous community meetings, the design team finalized the Parcel 2 Park design in 2020. Construction of the Parcel 2 Park will begin in late-Spring of 2021. This meeting aims to provide community members with an overview of the construction process and schedule. The team will also be available to answer questions and hear concerns about the construction process.
