

COMMUNITY KICK OFF DORCHESTER AVENUE ZONING UPDATE

**WEDNESDAY, MARCH 9TH
6:30PM · VIET-AID
42 Charles St, Dorchester**

The BRA, in collaboration with the Mayor-appointed Advisory Group, has initiated a zoning update process for Dorchester Avenue. As we begin our work, we would like to solicit feedback from the community at large on many of the issues and opportunities relevant to updating the zoning the code for Dorchester Avenue.

Objectives include:

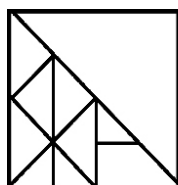

- Provide zoning recommendations for the incorporation of Dorchester Avenue zoning regulations into the general Dorchester neighborhood zoning regulations.
- Correct inconsistencies between the current Dorchester Avenue and Dorchester zoning districts.
- Where appropriate, update the zoning along Dorchester Avenue to reflect current and potential future land uses.
- Final result: consolidated Dorchester zoning regulations.
