BUTLER STREET

The permanent structures are approximately located on the ground as shown. They either conformed to the setback requirements of the local zoning ordinances in effect at the time of construction, or are exempt from violation enforcement action under M.G.L. Title VII, Chapter 40A, Section 7, and that there are no encroachments of major improvements either way across property lines except as shown and noted hereon.

According to Federal Emergency Management Agency maps, the major improvements on this property fall in an area designated as Zone.

Community Panel No.

Effective Date:

NOTE: Zone C is areas of minimal flooding (no shading). This designation is not based on an elevation certificate.
