

Harrison Albany Plan Community Update

July 11 | 6:00 - 8:00pm

**AC Hotel by Marriott, Community Room
225 Albany Street, Boston MA 02118**

In 2012, new zoning for the area between Harrison Avenue and Albany Street was approved after a two year comprehensive planning process. Come to learn about the new development that has followed, updated transportation network analysis and the status of recommendations from the Plan that intend to meet current and future buildout needs. A presentation from Boston Planning & Development Agency, Boston Transportation Department, and Boston Public Works will begin the evening with an open house and opportunity for community members to ask questions to follow.

For more information, please contact Marie Mercurio at 617.918.4352 or at marie.mercurio@boston.gov.
