Please join us for the next PLAN: Charlestown public meeting. Building on discussions at previous PLAN: Charlestown community events, the initiative will host a workshop on the topics of climate resilience and open space. Staff from the BPDA and the City of Boston Environment Department will present on past and upcoming phases of Climate Ready Charlestown. Additionally, BPDA and Boston Parks and Recreation staff will expand on October's Parcel Priority Plan exercise with a discussion of Charlestown's current parks, and planning for future open space.
