The Boston Planning and Development Agency (BPDA) in collaboration with other City of Boston departments invites the Downtown community to participate in the PLAN: Downtown Vision Workshop. The workshop will explore and prioritize draft values & goals for this planning initiative. The event will begin with a brief presentation explaining the PLAN: Downtown initiative. Attendees will then break out into small groups to discuss priorities for the planning initiative. Meeting materials will be available in simplified Chinese (中文) and interpretation will be available in Cantonese and Mandarin.

Please note: Doors open at 5:30 PM, presentation begins at 6:00 PM.
