Please join us for a workshop series focused on zoning and public realm in East Boston. These workshops will explore the challenges and opportunities of different types of areas in the neighborhood including neighborhood residential, mixed-use nodes and corridors, and waterfront industrial and economic development areas. Discussions will focus on how features of zoning and the public realm operate in these areas today, and how they could in the future. Light refreshments, translated materials and interpretation services will be provided at all events.

### Workshop 1 - Neighborhood Residential

**OCT 24, 2019 6:30 - 8:00 PM | East Boston YMCA, 54 Ashley Street**

Small group discussions about the character of East Boston neighborhoods.

### Workshop 2 - Mixed-use Nodes & Corridors

**NOV 06, 2019 6:30 - 8:00 PM | Excel Academy, 401 Bremen Street**

Small group discussions about the character of East Boston's squares and main streets.

### Workshop 3 - Waterfront Industrial & Economic Development Areas

**NOV 21, 2019 6:30 - 8:00 PM | East Boston High School, 86 White Street**

Small group discussions about the character of East Boston's waterfront industrial and economic development areas.
