

PLAN

Dorchester
Glover's Corner

Mobility & Connectivity Workshop

November 29, 2017
Starts at 5:30pm

Schedule

Open House/Networking
5:30pm

Presentation and Workshop
6:00pm - 8:00pm

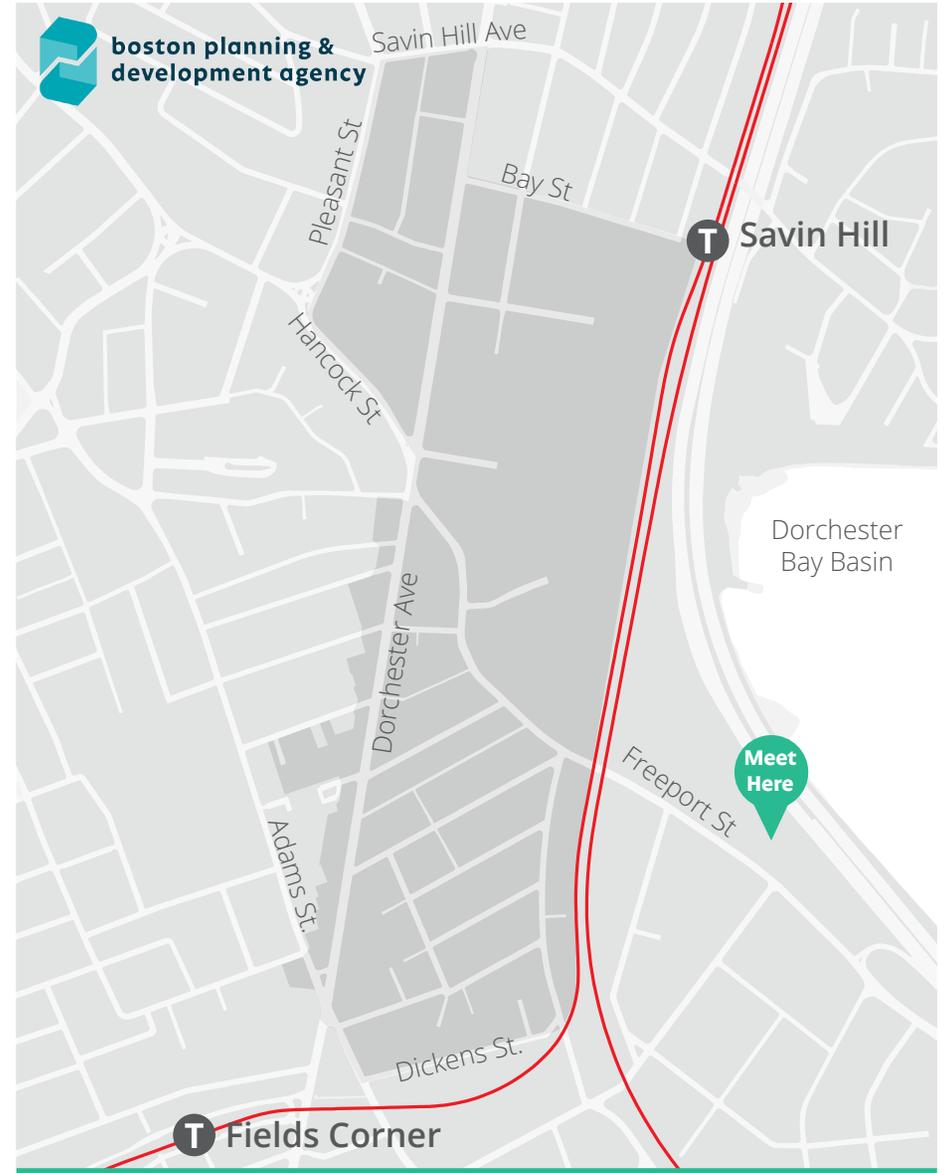

Location

Local 103 IBEW,
256 Freeport Street
Dorchester, MA 02122

The transportation experience around the Study Area and points beyond will be the focus of the Mobility and Connectivity Workshop. The purpose of this workshop is to discuss the existing conditions for pedestrians, bicyclists, transit riders, and drivers and establish shared goals and a vision for mobility and connectivity in the Study Area.

Study Area Map

The PLAN initiative is an opportunity to think strategically about the future of Glover's Corner. In close partnership with the community, we will explore what and where to preserve, enhance, and grow. The goal of this planning initiative is to establish goals and strategies for the Study Area to guide short- and long-term investments and to serve as a foundation for updating zoning.
