

CLEARY SQUARE EDUCATIONAL WORKSHOP SERIES

Building a Community Development Mindset

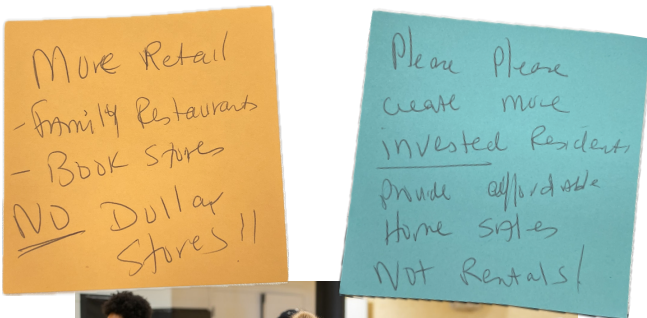

WHAT IS ZONING?

WHAT TOOLS EXIST TO PRODUCE AFFORDABLE HOUSING?

HOW DOES THE CITY SUPPORT SMALL BUSINESSES?

Are you interested in getting involved in the Cleary Square community planning process but not sure how to?

Please join the Squares + Streets team at our two upcoming interactive educational workshops. We will be sharing how to use existing City of Boston tools and resources to bring the services, businesses, and types of housing you need to your neighborhood.
