REFLECTION

O OBSERVATION

START - DOHERTY-GIBSON PLAYGROUND

Community Uses	COMMENTS
 Where are there opportunities for you to gather and have events with your community? Do the sidewalks and public area work well for your everyday use? 	
Architecture	
 What kind of businesses or uses would you like to see in the near future that are not here now? What buildings are iconic or important to you, your community, or the area? 	
Resiliency	
 How does climate impact your day-to-day life (heat, too much or too little rain, etc.)? What makes your experience of climate better or worse here? 	
Open Space	
 What is important for you in an open space? (e.g. nature, mental/physical health, resilient infrastructure, social spaces, etc.) What works well or doesn't exist here?
