OVERALL COMMENTS

Mobility	COMMENTS
1. What opportunities are there for improved transportation options? 2. What infrastructure is missing (shade, benches, etc.)?	

Safety	
1. What feels safe? 2. What feels unsafe?	

Accessibility	
1. What feels accessible? 2. What feels inaccessible?	

Community Uses	
1. Where are there opportunities for you to gather and have events with your community? 2. Do the sidewalks and public area work well for your everyday use?	

Architecture	
1. What kind of businesses or uses would you like to see in the near future? 2. What buildings are iconic or important to you, your community, or the area?	

Resiliency	
1. How does climate impact your day-to-day life (heat, too much or too little rain, etc.)? 2. What makes your experience of climate better or worse here?	

Open Space	
1. What is important for you in an open space? (e.g. nature, health, resilient infrastructure, social spaces, etc.) 2. What works well or doesn't exist here?
