

1 Dock Square

The transformation of the 1970's Dock Square parking structure and surrounding sidewalks into a new residential community on the Greenway.

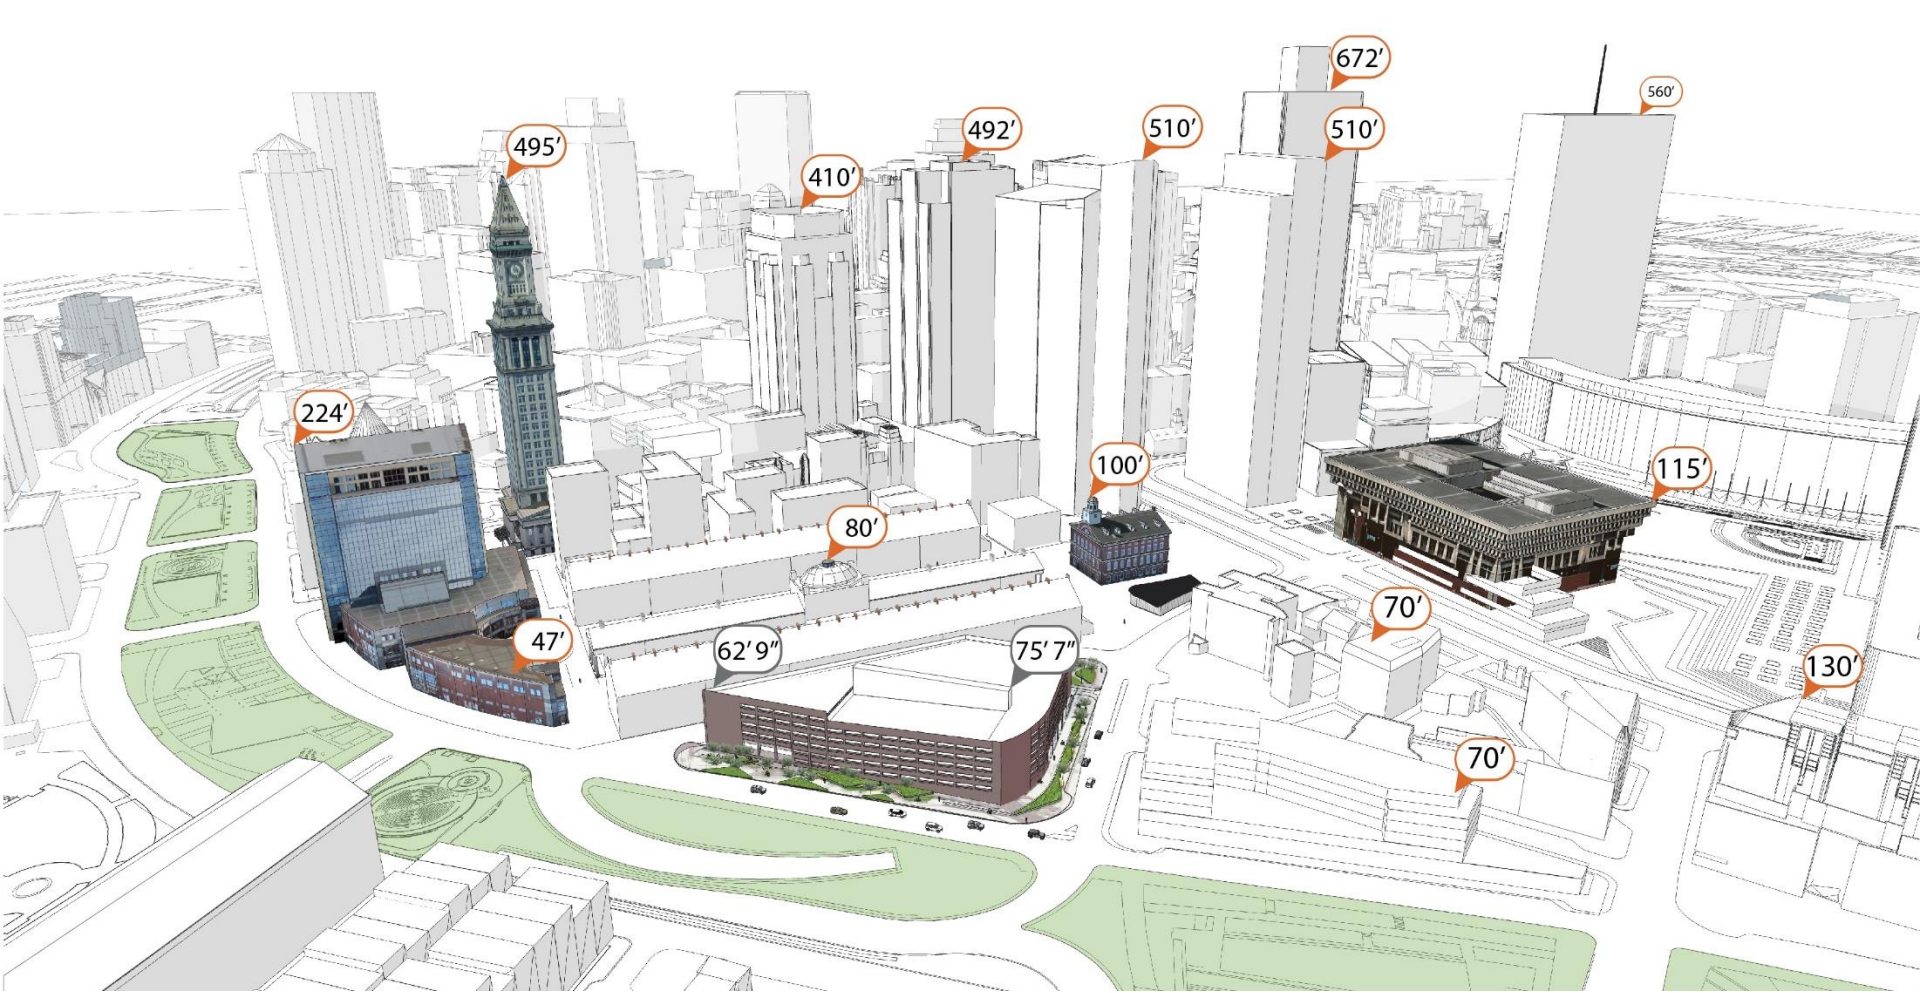

- New pedestrian streetscape experiences
- Open spaces in keeping with the spirit of the Greenway
- 194 new home-ownership units

BCDC Sub-Committee Meeting, September 4, 2018

- I. Comments from previous meetings
- II. Greenway Guidelines Overview & Zoning
- III. Massing Explorations
- IV. Updates:
 - Updated Massing
 - Retail activity provided along the Greenway
 - Updated Overall Height

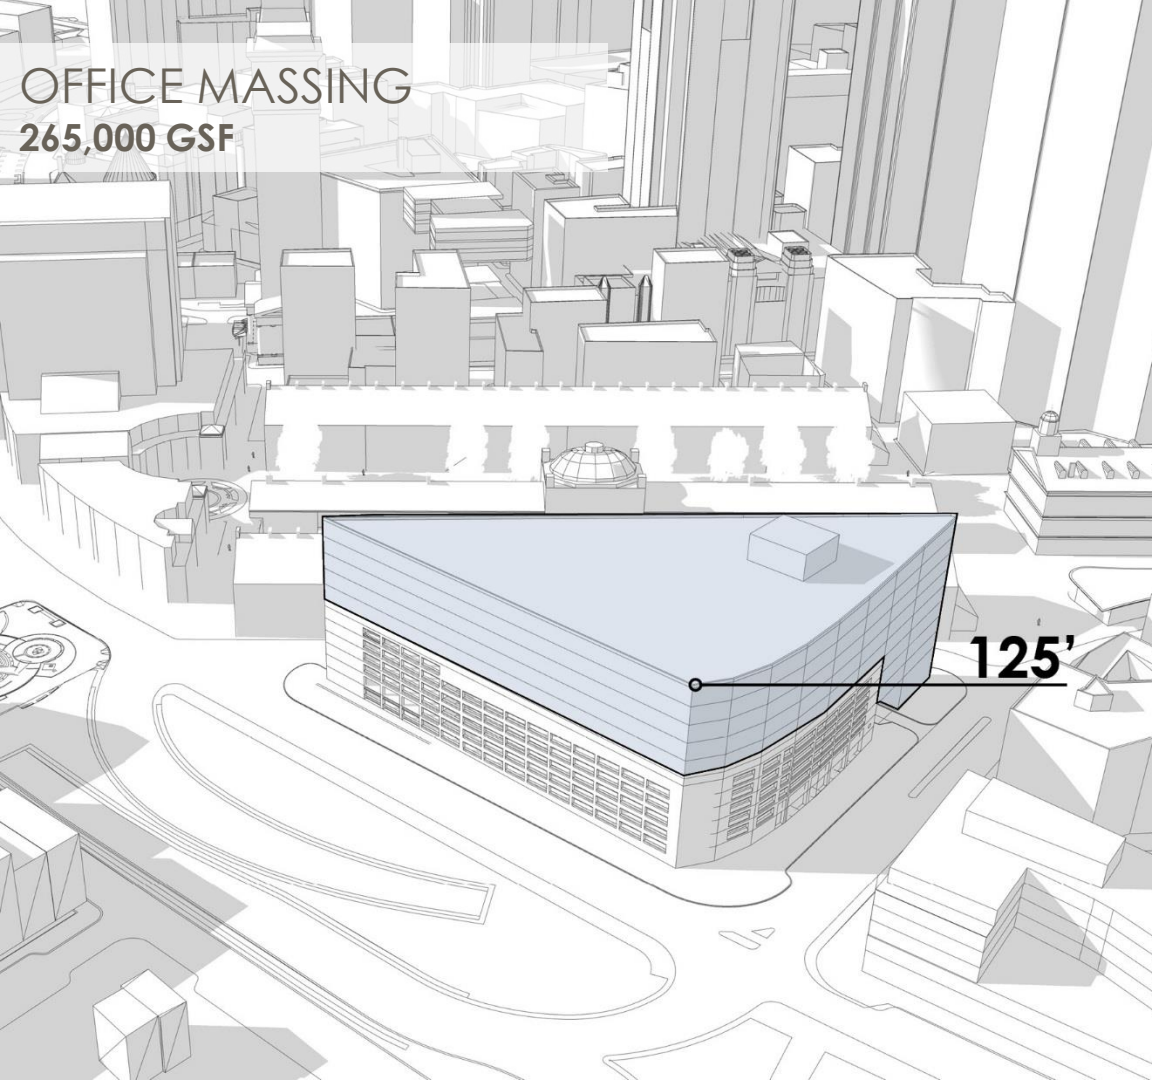

Comments from last BCDC Meeting 06/26/2018:

- Full range of design comments, but building felt **'too tall'** for the location
- Greenway Design Guidelines height at 125'
- Look at lowering the garage and keep the same massing on top
- Provide Retail opportunities along the Greenway to improve street activation
- Reduce the overall height down to 150'-170'
