To: Michael Sinatra <michael.a.sinatra@boston.gov>

Hi Michael,

Sorry, I'll be out of town. I don't object to warehouse uses as long as there are not notable add'l truck/delivery or any hazardous materials planned to be stored.

Also, I'd prefer that for IAG emails, we see the other folks on the email-- in this case I would have shared the above with all.

Thanks,

-Peter
