

One of these projects has broken ground south  
the other one diagonally across the street yet  
to begin. Each of these projects are adding  
cars + congestion to this area - The Parkway  
& taking away any semblance of space.

Although, we have heard from the Mayor &  
other officials that they are helping this school  
look for another site - we have heard nothing.  
I have read in "letters to the Editor" in our local  
paper, some residents are suggesting W.R. High.  
If this is a non-starter would love to know  
why? Seems to be a good compromise.

As a long term member of W.R. Council &  
zoning committee, I would sincerely ask the  
City to look to "Smart Planning" with the  
limited space this site offers & to not  
approve Parkway Prep at this site!

Thank you

Dear Aisling ~~Rees~~,  
I am against a Charter  
High School being built at  
361 Belgrade Ave.

Although a Small Project  
Review was filed I still  
considers the Project too large.

It will bring large  
numbers of people into an  
already populated neighborhood.

It is a very busy intersection  
and traffic is frequently backed up.

Sincerely,  
Helen M. Schupp

**RE: Support for the Roxbury Prep High School project proposed at 361 Belgrade Ave**

Dear Mr. Brian Golden,

I am writing to state my dedicated support for the Roxbury Prep High School project proposed at 361 Belgrade Avenue in Roslindale. As you may know, our scholars are currently spread across two temporary locations over three miles apart, both of which lack a cafeteria, a gym, or performing arts spaces to accommodate all of our students.

The location at 361 Belgrade will give my scholar access to the single-site facility they deserve, all within minutes of several MBTA transit options.

As an engaged resident of Boston, I ask for your support of this project.

Sincerely,

RE: Apoyo para el proyecto de Roxbury Prep High School propuesto en 361 Belgrade Avenue

Estimada Mr. Brian Golden,

Le escribo para expresar mi apoyo dedicado al proyecto de Roxbury Prep High School propuesto en 361 Belgrade Avenue en Roslindale. Como sabrá, nuestros estudiantes actualmente se encuentran distribuidos en dos ubicaciones temporales a más de tres millas de distancia, y tienen una cafetería, un gimnasio, o espacios de artes escénicas suficiente.

La ubicación en 361 Belgrado le dará a mi estudiante acceso a las instalaciones de un solo sitio que se merecen, todo a minutos de varias opciones de tránsito de MBTA.

Como residente de Boston y un padre / guardián preocupado de un estudiante de Roxbury Prep, le pido su apoyo a este proyecto.

**RE: Support for the Roxbury Prep High School project proposed at 361 Belgrade Ave**

Dear Mr. Brian Golden,

I am writing to state my dedicated support for the Roxbury Prep High School project proposed at 361 Belgrade Avenue in Roslindale. As you may know, our scholars are currently spread across two temporary locations over three miles apart, both of which lack a cafeteria, a gym, or performing arts spaces to accommodate all of our students.

The location at 361 Belgrade will give my scholar access to the single-site facility they deserve, all within minutes of several MBTA transit options.

As an engaged resident of Boston, and a concerned parent/guardian of a Roxbury Prep student, I ask for your support of this project.

Sincerely,

**RE: Apoyo para el proyecto de Roxbury Prep High School propuesto en 361 Belgrade Avenue**

Estimada Mr. Brian Golden,

Le escribo para expresar mi apoyo dedicado al proyecto de Roxbury Prep High School propuesto en 361 Belgrade Avenue en Roslindale. Como sabrá, nuestros estudiantes actualmente se encuentran distribuidos en dos ubicaciones temporales a más de tres millas de distancia, y tienen una cafetería, un gimnasio, o espacios de artes escénicas suficiente.

La ubicación en 361 Belgrado le dará a mi estudiante acceso a las instalaciones de un solo sitio que se merecen, todo a minutos de varias opciones de tránsito de MBTA.

Como residente de Boston y un padre / guardián preocupado de un estudiante de Roxbury Prep, le pido su apoyo a este proyecto.

**RE: Support for the Roxbury Prep High School project proposed at 361 Belgrade Ave**

Dear Mr. Brian Golden,

I am writing to state my dedicated support for the Roxbury Prep High School project proposed at 361 Belgrade Avenue in Roslindale. As you may know, our scholars are currently spread across two temporary locations over three miles apart, both of which lack a cafeteria, a gym, or performing arts spaces to accommodate all of our students.

The location at 361 Belgrade will give my scholar access to the single-site facility they deserve, all within minutes of several MBTA transit options.

As an engaged resident of Boston, and a concerned parent/guardian of a Roxbury Prep student, I ask for your support of this project.

Sincerely,

**RE: Apoyo para el proyecto de Roxbury Prep High School propuesto en 361 Belgrade Avenue**

Estimada Mr. Brian Golden,

Le escribo para expresar mi apoyo dedicado al proyecto de Roxbury Prep High School propuesto en 361 Belgrade Avenue en Roslindale. Como sabrá, nuestros estudiantes actualmente se encuentran distribuidos en dos ubicaciones temporales a más de tres millas de distancia, y tienen una cafetería, un gimnasio, o espacios de artes escénicas suficiente.

La ubicación en 361 Belgrado le dará a mi estudiante acceso a las instalaciones de un solo sitio que se merecen, todo a minutos de varias opciones de tránsito de MBTA.

Como residente de Boston y un padre / guardián preocupado de un estudiante de Roxbury Prep, le pido su apoyo a este proyecto.

Sinceramente,

**RE: Support for the Roxbury Prep High School project proposed at 361 Belgrade Ave**

Dear Mr. Brian Golden,

I am writing to state my dedicated support for the Roxbury Prep High School project proposed at 361 Belgrade Avenue in Roslindale. As you may know, our scholars are currently spread across two temporary locations over three miles apart, both of which lack a cafeteria, a gym, or performing arts spaces to accommodate all of our students.

The location at 361 Belgrade will give my scholar access to the single-site facility they deserve, all within minutes of several MBTA transit options.

As an engaged resident of Boston, and a concerned parent/guardian of a Roxbury Prep student, I ask for your support of this project.

Sincerely,

**RE: Apoyo para el proyecto de Roxbury Prep High School propuesto en 361 Belgrade Avenue**

Estimada Mr. Brian Golden,

Le escribo para expresar mi apoyo dedicado al proyecto de Roxbury Prep High School propuesto en 361 Belgrade Avenue en Roslindale. Como sabrá, nuestros estudiantes actualmente se encuentran distribuidos en dos ubicaciones temporales a más de tres millas de distancia, y tienen una cafetería, un gimnasio, o espacios de artes escénicas suficiente.

La ubicación en 361 Belgrado le dará a mi estudiante acceso a las instalaciones de un solo sitio que se merecen, todo a minutos de varias opciones de tránsito de MBTA.

Como residente de Boston y un padre / guardián preocupado de un estudiante de Roxbury Prep, le pido su apoyo a este proyecto.

Sinceramente,

Dear Mr. Brian Golden,

I am writing to state my dedicated support for the Roxbury Prep High School project proposed at 361 Belgrade Avenue in Roslindale. As you may know, our scholars are currently spread across two temporary locations over three miles apart, both of which lack a cafeteria, a gym, or performing arts spaces to accommodate all of our students.

The location at 361 Belgrade will give my scholar access to the single-site facility they deserve, all within minutes of several MBTA transit options.

As an engaged resident of Boston, and a concerned parent/guardian of a Roxbury Prep student, I ask for your support of this project.

Sincerely,

Estimada Mr. Brian Golden,

Le escribo para expresar mi apoyo dedicado al proyecto de Roxbury Prep High School propuesto en 361 Belgrade Avenue en Roslindale. Como sabrá, nuestros estudiantes actualmente se encuentran distribuidos en dos ubicaciones temporales a más de tres millas de distancia, y tienen una cafetería, un gimnasio, o espacios de artes escénicas suficiente.

La ubicación en 361 Belgrado le dará a mi estudiante acceso a las instalaciones de un solo sitio que se merecen, todo a minutos de varias opciones de tránsito de MBTA.

Como residente de Boston y un padre / guardián preocupado de un estudiante de Roxbury Prep, le pido su apoyo a este proyecto.

Dear Mr. Brian Golden,

I am writing to state my dedicated support for the Roxbury Prep High School project proposed at 361 Belgrade Avenue in Roslindale. As you may know, our scholars are currently spread across two temporary locations over three miles apart, both of which lack a cafeteria, a gym, or performing arts spaces to accommodate all of our students.

The location at 361 Belgrade will give my scholar access to the single-site facility they deserve, all within minutes of several MBTA transit options.

As an engaged resident of Boston, and a concerned parent/guardian of a Roxbury Prep student, I ask for your support of this project.

Dear Mr. Brian Golden,

I am writing to state my dedicated support for the Roxbury Prep High School project proposed at 361 Belgrade Avenue in Roslindale. As you may know, our scholars are currently spread across two temporary locations over three miles apart, both of which lack a cafeteria, a gym, or performing arts spaces to accommodate all of our students.

The location at 361 Belgrade will give my scholar access to the single-site facility they deserve, all within minutes of several MBTA transit options.

As an engaged resident of Boston, and a concerned parent/guardian of a Roxbury Prep student, I ask for your support of this project.

Sincerely,

Estimada Mr. Brian Golden,

Le escribo para expresar mi apoyo dedicado al proyecto de Roxbury Prep High School propuesto en 361 Belgrade Avenue en Roslindale. Como sabrá, nuestros estudiantes actualmente se encuentran distribuidos en dos ubicaciones temporales a más de tres millas de distancia, y tienen una cafetería, un gimnasio, o espacios de artes escénicas suficiente.

La ubicación en 361 Belgrado le dará a mi estudiante acceso a las instalaciones de un solo sitio que se merecen, todo a minutos de varias opciones de tránsito de MBTA.

Como residente de Boston y un padre / guardián preocupado de un estudiante de Roxbury Prep, le pido su apoyo a este proyecto.

Estimada Mr. Brian Golden,

Le escribo para expresar mi apoyo dedicado al proyecto de Roxbury Prep High School propuesto en 361 Belgrade Avenue en Roslindale. Como sabrá, nuestros estudiantes actualmente se encuentran distribuidos en dos ubicaciones temporales a más de tres millas de distancia, y tienen una cafetería, un gimnasio, o espacios de artes escénicas suficiente.

La ubicación en 361 Belgrado le dará a mi estudiante acceso a las instalaciones de un solo sitio que se merecen, todo a minutos de varias opciones de tránsito de MBTA.

Como residente de Boston y un padre / guardián preocupado de un estudiante de Roxbury Prep, le pido su apoyo a este proyecto.

Dear Mr. Brian Golden,

I am writing to state my dedicated support for the Roxbury Prep High School project proposed at 361 Belgrade Avenue in Roslindale. As you may know, these high school students are currently spread across two temporary locations over three miles apart, both of which lack a cafeteria, a gym, or performing arts spaces to accommodate all of these students.

The location at 361 Belgrade will give these students access to the single-site facility they deserve, all within minutes of several MBTA transit options.

As an engaged resident of Boston, I ask for your support of this project.

**RE: Support for the Roxbury Prep High School project proposed at 361 Belgrade Ave**

Dear Mr. Brian Golden,

I am writing to state my dedicated support for the Roxbury Prep High School project proposed at 361 Belgrade Avenue in Roslindale. As you may know, our scholars are currently spread across two temporary locations over three miles apart, both of which lack a cafeteria, a gym, or performing arts spaces to accommodate all of our students.

The location at 361 Belgrade will give my scholar access to the single-site facility they deserve, all within minutes of several MBTA transit options.

As an engaged resident of Boston, and a concerned parent/guardian of a Roxbury Prep student, I ask for your support of this project.

Sincerely,
