Re: The Boston Garden, 80 Causeway Street, Boston, Massachusetts

Dear Mr. Meade:

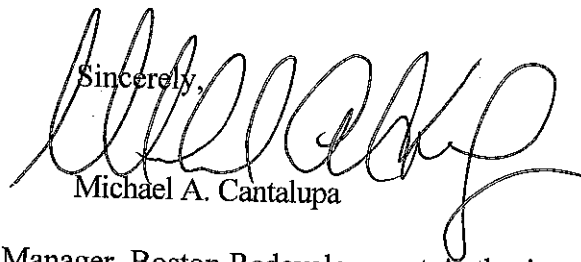

I am writing this Letter of Intent on behalf of Boston Properties, Inc. and Boston Garden Development Corporation (the "Proponent") pursuant to Mayor Menino's Executive Order dated October 10, 2000, regarding the provision of mitigation by development projects in Boston.

The proposed project involves the development of a mixed-use project on an approximately 2.8-acre parcel located at 80 Causeway Street adjacent to the TD Garden and North Station.

The Proponent will initiate the Large Project Review process under Article 80 of the Boston Zoning Code with the submission of an Expanded Project Notification Form.

We look forward to working with the BRA and the community on the proposed project.

Sincerely,

Michael A. Cantalupa
