

Do you care about the Fenway neighborhood and keeping it affordable?

FENWAY POINT

The Fenway CDC encourages you to attend an important public meeting regarding the Samuels & Associates Fenway Point project.

WHAT: Public meeting hosted by the Boston Redevelopment Authority

WHEN: Wed, Jan 14th, 6-8PM

WHERE: Landmark Center

401 Park Drive, 2nd Floor

WHY: Learn about changes being proposed to the Fenway Point project (a planned 350-unit residential and retail tower across from Landmark Center at Boylston St & Brookline Ave). Speak up for **affordable and mixed-income housing, diversity, neighborhood aesthetics**, and other relevant concerns. It's your neighborhood!

The Fenway Community Development Corporation builds and preserves affordable housing and champions local projects that engage the entire Fenway community in protecting the neighborhood's economic and racial diversity as well as its long-term vibrancy.
