RE:    South Bay Draft Project Impact Report - New Graphic

Dear Mr. Golden:

Enclosed is a new graphic, Figure 4-47, Boston Street Bypass Road Concept, to append to the South Bay Draft Project Impact Report submitted by Allstate Road (Edens), LLC on January 22, 2016. The graphic illustrates the Boston Street Bypass Road concept presented in DPIR Section 4.6.2, Off-Site Improvements. The roadway would provide a direct connection from the Interstate 93 Boston Street off-ramp into the Project, as well as provide enhanced access to the existing hotels, without having to enter Boston Street.

If you should have any questions or concerns, or need additional information, please contact me at (617) 357-7044 x 209.

Sincerely,

Robert Ricchi  
Senior Planner
