Newmarket is home to some of Boston's most important industries and creative economy work spaces, vibrant art and maker-spaces.

Join the BPDA Planning Team for Discover Newmarket: a fun and interactive way to learn about the Newmarket neighborhood, as well as an additional way to make your voice heard in the current planning process! Together, we'll be exploring some of these businesses and you will help design ways in which they can thrive. The Phoenix and The Record Co., will open their doors to the public with a mix of free tours, product samples, yoga, and more! Come explore all that Newmarket has to offer!

Language access services are available at no cost to you. If you require language access services please contact: Adriana Lasso-Harrier at adriana.lasso-harrier@boston.gov or 617.918.4367.
